

# INSTRUCTIONS

**MODEL :** TRIUMPH STREET TRIPLE

**PRODUCT :** SEAT COVER

**CODE :** SC-TST675/08

## CONTENTS

Plastic Seat Cover  
2pcs. M5 X 15 Bolts

## MATERIAL SPECIFICATIONS

The product's material, made of **ABS** plastic with acrylic exterior layer, can be placed on your bike without requiring painting but if you want it painted, all paint companies have equivalent machinery at their disposal. If you want to paint it yourself, you should contact them to inform you on what you will need and how to do it.

### Placement

**OUR COMPANY SUGGESTS THE INSTALLATION BE CARRIED OUT AT A WORKSHOP OR BY QUALIFIED STAFF**

- Remove the seat. Optionally you can remove the seat's belt.
- Turn it upside down and place the cover on the co-driver's seat, making sure that it fits firmly, especially on the rear end.
- Place the support brackets (left & right) to hold the seat in place and screw the bolts from the outer side (photo No1)
- Make sure the cover is fitted properly
- Put the seat in its original position
